Please participate in this survey so the City of Deer Lodge can serve you better.

1. How often do you or your household use Deer Lodge parks and trails?

- | | |
|--|--|
| <input type="checkbox"/> 1-5 visits per year | <input type="checkbox"/> 21-50 visits per year |
| <input type="checkbox"/> 6-10 visits per year | <input type="checkbox"/> 50+ visits per year |
| <input type="checkbox"/> 11-20 visits per year | |

2. What types of amenities and improvements are most needed in Deer Lodge area parks and trails?

- | | |
|--|--|
| <input type="checkbox"/> Shelters and seating | <input type="checkbox"/> More/improved playgrounds or specialized play areas |
| <input type="checkbox"/> Restrooms | <input type="checkbox"/> More/improved trails |
| <input type="checkbox"/> Pet friendliness | <input type="checkbox"/> Better lighting for safety |
| <input type="checkbox"/> Maintenance | <input type="checkbox"/> Parking |
| <input type="checkbox"/> Accessibility for wheelchairs | <input type="checkbox"/> Other: _____ |
| <input type="checkbox"/> Softball/baseball fields | |

3. In addition to federal, state, local and grant funding, what strategy would you support the most to fund park and trail improvements?

- | | |
|--|---|
| <input type="checkbox"/> Park Maintenance District | <input type="checkbox"/> Facility rental fees |
| <input type="checkbox"/> Non-profit fundraising | <input type="checkbox"/> Volunteers |
| <input type="checkbox"/> Private-public partnerships | <input type="checkbox"/> Concessions |
| <input type="checkbox"/> Adopt-a-park and adopt-a-trail programs | <input type="checkbox"/> Local bond issuance |
| <input type="checkbox"/> Sponsorship through advertising | |

4. Please rank the importance of the following park and trail functions to be considered in the design of Deer Lodge's Parks and Trails system.

	Very Unimportant	Somewhat Unimportant	Neutral	Somewhat Important	Very Important	Don't know
Connectivity to surrounding neighborhoods						
Connecting City trails to County trails and Grant-Kohrs Ranch National Historic Site						
Enhancing the value of surrounding properties						
Walkable and bike friendly development						
Restoration of existing park facilities						
Expansion of the City's trail system						
Creating features to attract visitors and economic investment						
Incorporating local history into design features						
Safety of Users
